*"I was humbled by the information you shared over the phone and am equally humbled by the additional information you have shared with your email. I will be processing this information with our department later this week and we will be starting the selection of the lucky young student next week. If at any time you are interested in hearing how we are doing in our selection process, please do not hesitate contacting me. I certainly remember Mr. Kagay during the time his boys Stephen and Ryan came through BAHS.*

*Thank you again for your wonderful gift. "*

**(Don Krempel)**

*"Thank you so much for your call and email. I spoke this morning with our foundation office and we discussed including this scholarship with their usual alumni scholarship reception. We thought Mr. Krempel may enjoy that program more. The date of that event is 4/29/2015. She should be contacting you with information. The foundation is in the middle of awarding scholarships and to the current seniors, so we will use their application process to assist in selecting a student. I will let you know who we've selected. Thank you again."*

**Mount Saint Joseph High School**  
**(Sam Carnaggio)**

*“On behalf of Mount Saint Joseph High School, I want to thank you for the generous scholarship in honor of Mr. Dick Trainor. I am so happy to announce that the senior we chose is an exceptional representative of our school. We will award the scholarship to John Colin McCabe, a 4.47 GPA student, who is enrolled in many Advanced Placement classes, an athlete, a member of the National Honor Society, and a leader in our community. Colin certainly is a worthy candidate with a desire to become an engineer.*

*Please convey my gratitude to Charles Carnaggio for his sponsorship of this scholarship. Ironically, Charles and I are members of the same graduating class at Mount Saint Joseph High School. Our alumni are all over the world doing great things. I am sure Colin will be another alumnus who will contribute to our legacy.”*

*"Greetings from McDonough School! I am writing to let you know that Matthew Davis was selected as the recipient of the MAE Scholarship. He will be studying engineering at the University of Southern California next year. I want to share a few notes regarding Matt's interests:*

*His first course in Computer Science was during junior year—but it was at the AP level. Over the past two years, Matt has harnessed his impressive programming skills into his extracurricular life. He is a founding member and leader of the school's competitive FIRST Robotics Team, where he has worked diligently as both a programmer and engineer. As well, Matt spent last summer working for NASA as an intern at the Goddard Space Flight Center; he was one of only three high school students chosen (from 2,000 applicants!) for this particular program. He has also earned his radio tech license, continued to study the saxophone and guitar, and earned his black belt in Karate. Thank you for sharing this scholarship opportunity with McDonough School."*

*"It was a pleasure speaking with you this afternoon. The selected student is Mr. Alvaro Fabian. Mr. Fabian is a graduating senior with a 3.65 GPA. He is a member of the school's Honor Society, Technical Honor Society and Robotics Club. He also played soccer for the Fighting Owls and received an Athletic Award for his play. He intends to study computer engineering at Goucher College.  
It has been a pleasure working with you regarding the wonderful scholarship your organization has provided for a deserving student at Dundalk High School and I hope we have the pleasure of working together next year as well. Thank you for your interest regarding the students at Dundalk High School."*
