Maryland Association of Engineers Dick Trainor Scholarship Fund

In 1991, the Maryland Association of Engineers started a tradition of granting scholarships. The first scholarship was presented to the children of David Gordon of Whitman, Requardt & Associates, who was tragically killed during the holidays that year. The grant was in the form of bonds for his two children.

Since then, MAE has granted scholarships each year to local high schools, that either select a student entering college for engineering, or provide a list of names to MAE's scholarship committee for selection.

In 1998, in memory of Richard H. Trainor, the Maryland Association of Engineers Dick Trainor Scholarship Fund was established. In 1999, the fund became chartered and achieved 501(c)(3) status. The income from the fund finances the scholarships each year. Since the fund was started, MAE has awarded over \$130,000 to over 50 students pursuing a career in an engineering field. Because of Dick Trainor's contributions to the engineering profession, memorializing him with this fund continually reminds us all of our responsibility to give back some of the many benefits we have received.

Our annual spring golf outing will be held on Monday, April 16, 2018 at the Hunt Valley Golf Club. The format will remain a "Play Your Own Ball" format in order to provide our members and guests with the finest quality event.

Registration will open at 10:30 am with our legendary putting contest and box lunch available at 11:00 am. A Shotgun start is scheduled for 12:00 pm with closest-to-the-pin, low net, and low gross contests, and complementary beverages throughout the course.

Happy hour is from 5:30 - 7:30 pm, followed by dinner consisting of crab cakes, beef tenderloin, turkey breast assorted dishes, and desserts. Prizes for the contest winners will be awarded at the conclusion of the evening.

All participants names must be received by **April 12, 2018**. Space is limited, so sign up now!!
